

---

The United Way of Southington has been serving the community since 1926, when we funded four charities. One of those charities, the Salvation Army, we continue to fund today, along with 16 others. Some of the other notable projects that we helped to establish are the Bradley hospital and Recreation Park.

We currently offer assistance to one out of every four residents. That's more than 10,000 people! With our 85-year history of community service, we are positioned to continue doing great things for our community. We thank you in advance for your donation, whether it be through workplace giving or a direct contribution. Know that you are appreciated for helping a wonderful cause and "living united!"

# Mission Statement

---

The United Way of Southington's Mission is to facilitate a community-wide collaboration so that funds can be raised and assistance provided to organizations involved in human service programs in Southington, Marion, Milldale and Plantsville.

**When you do United Way workplace giving, you can direct your tax deductible donation—*regardless of the town in which you work*—to the United Way of Southington to help your local family, friends, and neighbors.**

**If you are confused when you are completing your paperwork or online form, simply write in United Way of Southington.**

**Remember to tell your family that they can also designate their United Way payroll deductions to the United Way of Southington.**

The United Way of Southington directly funds the most important programs at the most important charities. We utilize a strict reporting process to monitor progress of the following charities:

[ARC of Southington](#) – provides respite care for those caring for a loved one with mental challenges
